RUNNING SPRINGS ELEMENTARY
ROOM PARENT PROGRAM

WOULD YOU LIKE TO BE A ROOM PARENT?

Being a room parent for your child's classroom is an opportunity not to be missed! Room parents play an important role connecting the PTA, your child's teacher, and the families within the classroom. If you have never been a room parent before but would like to be, please do not hesitate! We have many examples and support for you to be successful!

If you would like to participate as a room parent this year, please complete this form and return to your child's teacher. **The deadline to submit this form is September 2nd**. Room Parent assignments will be completed by September 5th.

Room parents meet quarterly as a large group and are encouraged to attend monthly PTA meetings. Room parent responsibilities include:

- Introductory letter to class
- Keeping your families informed about upcoming classroom events & activities
- Coordinating classroom parties: Fall, Winter, Valentine's, End of Year
- Family Fun Night: gathering volunteers for game booths
- Teacher Appreciation Week in May
- Coordinating pictures of the class for yearbook

Thank you for your consideration,
Debbie Nita
Room Parent Coordinator
