

# Running Springs Elementary PTA Volunteer Opportunities

Did you know that all the enrichment programs, activities, and events planned for this year cannot be accomplished without you? Helping out on a PTA committee is a fun and rewarding experience. You can meet new friends, learn new skills, and most of all, know that your efforts are directly benefiting the school and therefore your child's educational experience.

Please check all the boxes below that represent your interests. Without your help, these events and enrichment programs could not be possible. Thank you in advance for your involvement.
